Welcome home

Wah...

That butler has a lovely bearing and an elegant demeanor.
Amazing—
He's like a prince.
He's our ace, Yashiro Koyomi.
His greeting causes the customers to come to the cafe.
Yashiro Koyomi...san.
Such a gentle person...

Th...this guy.
Huh?
Why, has my presence brought you to your knees?
He planned this!!!
But it'll be an indirect kiss.
This place is all men!! Yashiro-san, this is sexual harrassment!
The owner's completely not listening to all the chatter.
Want a drink?
You look so cute right now ☆
Komori-chan (said loudly)
Furthermore,
uuuu I want to quit

Fuji-chan, the cake's yummy!
Made-up dessert
Oh, that's right,
As the newbie, (moreover, as a part-timer)
I don't get why I'm suddenly doing the cooking.
Wouldn't it be great if I was only in the kitchen.

Ya-ya-ya Yashiro-san, when did you get here?
And why are you half-naked?!
I was in the middle of changing when I saw you...

You're quite skillful.
The candy. Feed it to me.

You're okay looking so it's enough.

Are you sure this is the same recipe?
Eh?
...yeah...

"I quit." Just two words that I just can't say.

There is no reason why I can't say them.

Well
I was thinking that by next week
I want all of you to submit every kind of plan you have.
Seasonal desserts?
Whoever's plan passes
will be in charge of desserts moving forward.
Isn't that too vague...?
Ah, by the way,
Komori-chan, since I have the authority, you may also participate.

If I try
my best,
If I try
my best,
I also have
a chance.

sfx falling
That's just your ego talking.
Do I have to forcibly get you to lie down?

Yashiro-san is really not gentle at all.
You're just a sexual harasser and a king.
You kinky, imposter butler.
...torment me?
I hate you!
Leave me alone!
Why does he always...
Don't tease me right now.

Just now,
what did you say?
I'm sorry.
Thank you very much for giving me a chance at this time.
Ah, that is, it wasn't me.
I decided to go with Komori-chan.

What?
When I was talking about the desserts project,
he said why don't I give you a chance.
It was Yashiro.
I have to apologize.
"I'm worried because Komori-chan's working overtime. She's been staying here after hours."
As far as anyone here, having Yashiro-kun as a supporter is unusual.

I'm glad your design passed.
You tried your hardest.

Did you come back to bring me the dessert that won?

I'm pretty sure it's delicious.
This is the same smile he gives
when he's a butler to his customers.
I'll have it later.
"No, you didn't, Fuji."
Thank you, Komori-san.

You're a sexual harasser and a king, but it's okay because

I know I'll come back to you.

I forgive you.

Do I taste good?

Oh no! What kind of face do I show Yashiro-san when I see him?
ガョガョ
You're full of spirit!

It's fine, isn't it?
*Afterall, you'll be mine soon.
I thought things would be a bit different, but
Yashiro-san's the same as ever.
Sexual harasser!
What the hell are you doing, Yashiro-san?!
Ah, she escaped.
!!?
He's gay?!
*I think this can also be translated to say he's homosexual.
My first kiss was very sweet.
My first love
proved to be a bitter beginning.
Yashiro's nimble!!
What are you saying, Koyomi-san?
